REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record, neither singly nor in combination, disclose applying heat to the vessel to create a temperature gradient along the inner surface of the vessel such that the sample-receiving portion of the inner surface of the vessel is at a lower temperature than substantially all other portions of the inner surface of the vessel.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The provided references are representative of the state of the art that is applicable to the applicant's invention.
